Nissan Forklift

Nissan Forklift Training Barrie - Nissan prides itself on attaining total customer fulfillment when their buyer is enjoying one of their numerous trucks, cars or lift trucks. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to delivering high value and detail-oriented quality standards to their clients. Incorporating a rich heritage combined with resilient manufacturing principals, Nissan lift trucks offer some of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide wishes of their diverse client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing customer support, the business has four distinct production facilities that permit them to continually adapt to their customers continually evolving wishes by providing an array of progressive ideas and concepts.

The Nissan Lift truck North and South American foundation is located in Marengo, Illinois. A devoted team of 350 personnel is committed to the support, design and manufacture of their products. Working under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to preserve environmental accountability by utilizing systems that minimize the worldwide impact of their products and processes. These high standards remind clients that Nissan operates under the quality seal that their customers command whilst being an environmentally responsive corporation.

Nissan is fairly confident that any of their clients inquiries and customer concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned dealers or even visiting their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
